The True Skye Youth Association (TSYA) is asking for your support by donating to our youth, whether is with a monetary gift or a perishable gift. We have 6 educational youth football teams ranging in the ages of 4 -14 years old.

In the Summer/Fall, we offer Football and Cheerleading teams which consist of six age group divisions consisting of over 200 children. All games are played at Independence High School located at 5175 Old Refugee Rd.

In the Winter, our Winter Basketball League begins. All games are played at The Marion Franklin Recreation center. The basketball league has 12 teams which are broken down into three divisions.

They play a nine game season, with a single elimination tournament. We are very proud of our organization. In the emergence, we have made advances in positive sportsmanship and academic reinforcement. The TSYA is dedicated to assisting our youth in reaching some great goals this season. We are currently working with children who do not have many advantages on their side. As the TSYA continues to grow, with your support, we can ensure a quality program for Columbus' inner city youth. It takes a special individual/organization to recognize that only giving, will we receive the greatest blessings in life.

Sincerely,

Sean P. Williams Sr.

President
